# GOLDEN FEATHER UNION ELEMENTARY SCHOOL DISTRICT

# SECOND INTERIM BUDGET REPORT

2021-2022

#### Golden Feather Union Elementary School District 2021-22 Second Interim Budget Assumptions March 16, 2022

The following budget assumptions were incorporated into the 2021-22 Second Interim Budget:

#### Revenue:

Starting in 2013-14, the Local Control Funding Formula (LCFF) was put in place and the previous funding model (Revenue Limit) is gone. The LCFF consolidates most funding streams into one lump sum and includes additional funds for students who are either English language learners, receive free and reduced meals or are Foster Youth. Included in the LCFF proposal is also a Local Control Accountability Plan (LCAP) that requires districts to create a path for the future, with input from students, parents, teachers and bargaining units as well as administration and the Board. This information is entered into a form created by the California Department of Education and submitted to the local County Office for approval. The LCAP is a living document and will need to be updated and submitted on a yearly basis. In addition to this, there is an annual update component that compares actual expenses to budget estimated for the previous year.

Due to a provision included in the adopted state budget, the state will continue the hold-harmless provision that will allow the use of the greater of 2019-20 Average Daily Attendance (ADA) or actual 2021-22 ADA to calculate the 2021-22 LCFF funding for all Local Education Agencies (LEAs) in California. As a Community Funded (Basic Aid) District, Golden Feathers LCFF funding does not change respective to changes in ADA.

The current year funded LCFF COLA is 5.07%.

Class-size Reduction has changed due to its inclusion in the LCFF and is now called the Grade Span Adjustment (GSA). The new GSA ratio has been expanded to 24:1 and will be paid though the LCFF at \$842 per K-3 student participating in the program.

Lottery revenue is budgeted at \$65.00/ADA for Restricted Lottery and \$163.00/ADA for Unrestricted Lottery.

Federal/State categorical revenue was projected based on the most current entitlement schedules released by CDE if available, or prior year awards. The sources are projected as follows:

| <u>Source</u>   | 2021-22 Projected Funding |  |  |  |
|-----------------|---------------------------|--|--|--|
| Title I         | \$82,452                  |  |  |  |
| Title II        | \$9,467                   |  |  |  |
| Universal Pre-K | \$26,381                  |  |  |  |

Although the "old" State categorical revenues had been wrapped into the LCFF back in 2013-14 (programs such as GATE, PAR, Arts & Music, PE Grant, Math & Reading AB466, School Safety, IMFRP, and Professional Development AB825, Targeted Instruction AB825 and School & Library AB825 and Deferred Maintenance), it appears as though the current administration is making a move back to that format with all of the new programs listed above.

#### Salaries and Benefits:

Anticipated salaries for 2021-22 were budgeted based on current staffing needs; step and column movement was included where appropriate. The following rates were used for budgeting statutory benefits:

| Statutory Benefit                  | 2021-22 Employer Rate Used for Budge |  |  |  |  |
|------------------------------------|--------------------------------------|--|--|--|--|
| STRS                               | 16.92%                               |  |  |  |  |
| PERS                               | 22.91%                               |  |  |  |  |
| Social Security                    | 6.20%                                |  |  |  |  |
| Medicare                           | 1.45%                                |  |  |  |  |
| State Unemployment Insurance (SUI) | .5%                                  |  |  |  |  |
| Worker's Compensation              | 2.9161%                              |  |  |  |  |
| MDVL Cap                           | \$11,568                             |  |  |  |  |

#### Other:

Beginning balances for all funds are from the 2020-21 Unaudited Actuals. General Fund Unrestricted beginning balance is \$2,039,533.

Supplies and Other Operating Expenditures are budgeted based on prior year usage as well as direction provided by the District's Administration.

Special Education Billbacks are projected based on estimates provided by the entity providing the Special Education services. The billback from Butte County Office of Education (BCOE) is budgeted at \$122K.

As part of LCFF, Transportation has become unrestricted and will no longer need a contribution.

Special Education has a projected contribution of \$110K.

All expenditures using one-time dollars have been removed in the two out years. As those funds are expended, the staffing and programs they are supporting will continue to be evaluated for the viability of supporting them with the unrestricted general fund in the future.

Although the multi-year projection currently reflects a pattern of deficit spending, sufficient reserves are available in all three years.

#### Part I - General Administrative Share of Plant Services Costs

California's indirect cost plan allows that the general administrative costs in the indirect cost pool may include that portion of plant services costs (maintenance and operations costs and facilities rents and leases costs) attributable to the general administrative offices. The calculation of the plant services costs attributed to general administration and included in the pool is standardized and automated using the percentage of salaries and benefits relating to general administration as proxy for the percentage of square footage occupied by general administration

### Part II - Adjustments for Employment Separation Costs

When an employee separates from service, the local educational agency (LEA) may incur costs associated with the separation in addition to the employee's regular salary and benefits for the final pay period. These additional costs can be categorized as "normal" or "abnormal or mass" separation costs.

Normal separation costs include items such as pay for accumulated unused leave or routine severance pay authorized by governing board policy. Normal separation costs are not allowable as direct costs to federal programs, but are allowable as indirect costs. State programs may have similar restrictions. Where federal or state program guidelines required that the LEA charge an employee's normal separation costs to an unrestricted resource rather than to the restricted program in which the employee worked, the LEA may identify and enter these costs on Line A for inclusion in the indirect cost pool,

Abnormal or mass separation costs are those costs resulting from actions taken by an LEA to influence employees to terminate their employment earlier than they normally would have. Abnormal or mass separation costs include retirement incentives such as a Golden Handshake or severance packages negotiated to effect termination. Abnormal or mass separation costs may not be charged to federal programs as either direct costs or indirect costs. Where an LEA paid abnormal or mass separation costs on behalf of positions in general administrative functions included in the indirect cost pool, the LEA must identify and enter these costs on Line B for exclusion from the pool,

#### **Normal Separation Costs (optional)**

Enter any normal separation costs paid on behalf of employees of restricted state or federal programs that were charged to an unrestricted resource (0000-1999) in funds 01, 09, and 62 with functions 1000-6999 or 8100-8400 rather than to the restricted program. These costs will be moved in Part III from base costs to the indirect cost pool. Retain supporting documentation.

#### Abnormal or Mass Separation Costs (required)

Enter any abnormal or mass separation costs paid on behalf of general administrative positions charged to unrestricted resources (0000-1999) in funds 01, 09, and 62 with functions 7200-7700. These costs will be moved in Part III from the indirect cost pool to base costs. If none, enter zero.

#### Part IV - Carry-forward Adjustment

The carry-forward adjustment is an after-the-fact adjustment for the difference between indirect costs recoverable using the indirect cost rate approved for use in a given year, and the actual indirect costs incurred in that year. The carry-forward adjustment eliminates the need for LEAs to file amended federal reports when their actual indirect costs vary from the estimated indirect costs on which the approved rate was based.

Where the ratio of indirect costs incurred in the current year is less than the estimated ratio of indirect costs on which the approved rate for use in the current year was based, the carry-forward adjustment is limited by using either the approved rate times current year base costs, or the highest rate actually used to recover costs from any program times current year base costs, if the highest rate used was less than the approved rate. Rates used to recover costs from programs are displayed in Exhibit A.

Golden Feather Union Elementary School District 2771 Pentz Road Oroville, Ca 95965

To the Golden Feather Union Elementary School District Board, Mr. Josh Peete, and the Concow School Staff,

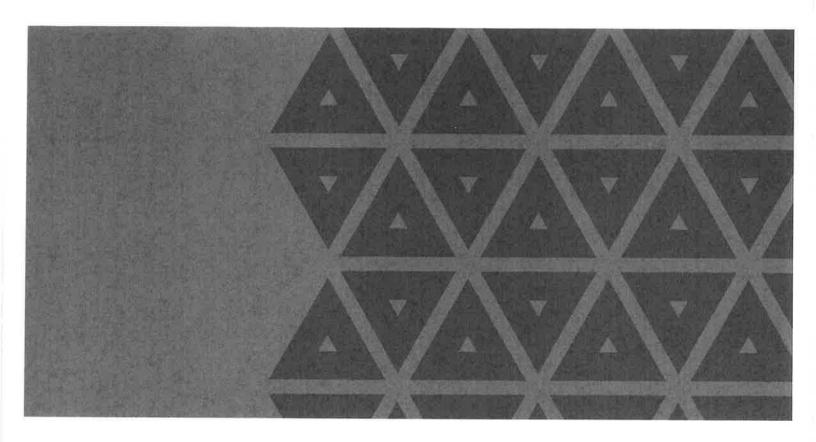

This letter is to inform you of my retirement on June 3, 2022.

I would like to take this opportunity to thank everyone for your friendship and support in my 37 years that I have been associated with GFUESD. I have worked with a lot of great people who have become lifelong friends and for that I am very thankful. Working with the children has been one of the best experiences of my life and I hope that I made a difference to at least one child, if not more.

Again, I want to thank you and I will miss all of you and the school very much.

Sincerely, Byrrette Mack

# Proposal for Independent Audit Services Year Ending June 30, 2022, 2023, 2024

Prepared by Joy L. McNulty, CPA, Partner 55 Independence Circle, Suite 102 Chico, CA 95973 530.588.7427 x308

March 9, 2022

Mr. Joshua Peete Golden Feather Union Elementary School District 2771 Pentz Road Oroville, CA 95965

#### Dear Joshua:

The partners and staff of Horton McNulty & Saeteurn, LLP (HM&S), would like to express our appreciation to you and your staff for the effort and cooperation during our recent audit of Golden Feather Union Elementary School District (the District), and for your interest in continuing your professional services with HM&S. We are confident that HM&S can provide the quality services you seek at a reasonable cost.

One of our core business practices is to align our firm with clients that share our high standards for quality and ethics in the workplace, and we know the District is just that. Outlined below and throughout our proposal, we'll demonstrate why HM&S is the right choice for you.

#### Who We Are

At Horton McNulty & Saeteurn, LLP (HM&S), the value of service begins with a focus on our clients. We constantly look for ways to impart value in the services we provide. We leverage the strength of our people, and are proactive in identifying issues and opportunities affecting our clients. Like you, we know that we are in a business where communication, relationships, and understanding common goals are essential to our success and the success of our clients.

Our philosophy has always been to provide the finest auditing, accounting, tax, and management advisory services that are available in the communities we serve; to be associated with clients who wish to reach their maximum potential; and to be a firm that is enjoyable to work for and rewarding to work with. Our goals are to contribute to the community and the profession to which we belong and to grow, but never to lose the personal relationship with clients who are the foundation of our practice.

We are organized to provide a full range of accounting, auditing, tax, management consulting, and related services. We are committed to excellence of service; we take a constructive approach and maintain uniformly high standards of quality and responsibility in every area of our practice. We have industry experts within our firm available to deal with specific problems. Every engagement we undertake is under the personal direction of a partner of the firm. We continue to be concerned with the development of new approaches and techniques, all directed toward rendering the highest quality services at a reasonable cost.

Our quality control system meets the independence requirements of the Standards for *Audits of Governmental Organizations, Programs, Activities and Functions,* published by the United States General Accounting Office. We meet all specific requirements imposed by state or local law or rules and regulations. We follow the American Institute of Certified Public Accountants', *Interpretation 501-3, Failure to Follow Standards and/or Procedures or Other Requirements in Governmental Audits.* 

#### **Service**

We would like to emphasize our commitment to maintaining professional staff continuity in servicing this engagement. Many of our clients rely on having the same resources available to them because it reflects a commitment to their organizations and a deeper understanding of what their organizations are trying to achieve. Our staff builds relationships based upon integrity, trust, and mutual respect, which is a primary reason that we maintain long-term professional relationships.

At HM&S, we understand that your audit will only be as effective as the people performing the task, which is the reason our partners play such a significant role in our engagements. We work closely with our clients and are highly involved in all phases of the audit, from planning and preparation through fieldwork and financial reporting.

Our approach is management-oriented, and our engagements are professionally staffed. We concentrate on maintaining a close and constructive relationship with our clients at all times and on being responsive to their needs throughout the engagement. We also stress the importance of utilizing the client's personnel to the extent possible as a means of reducing costs and as a basis for transferring skills to the District. Our staff is composed of many individuals who have helped train and supervise our entry-level staff so that our approach is technically competent, and at the same time responsive to clients' unique accounting and reporting situations.

As experts in traditional services to LEAs, we provide:

- Worry-free financial reporting.
- Compliance for your peace of mind.
- Audit tools (such as an electronic portal), early planning, and open communication with the District to ensure the ease of audit completion and to minimize the interruption of the District's normal operations.

#### **Technical Expertise**

When working with us, you will have two knowledgeable primary points of contact to ensure you always have immediate access to the resources you need. All licensed professional staff are required to receive a certain number of continuing professional education hours in various disciplines each year and certification period. It is our job to bring the right resources to the District, rather than your team having to determine who they should call with a question.

We subscribe to several professional and educational services that provide daily and weekly updates. Regular updates are provided to all professional staff via email, in-house technical training sessions and self-selected continuing professional education (CPE).

We are proactive in communicating applicable proposed accounting standards changes to clients. We want to make sure we are sharing the information that is most pertinent to your business, rather than flooding you with every bit of information available.

## Rotation of Auditors - California Education Code, Section 41020 (f)(2)

Our size allows for a rotation of auditors periodically so that the audits are continually evaluated by accountants with fresh and skeptical eyes. HM&S's school auditing team includes two partners with extensive experience auditing school districts, charter schools, and county offices of education. This provides for the rotation of auditors in accordance with *California Education Code*, Section 41020(f)(2), whereby the lead audit partner having primary responsibility for the audits can be rotated within our firm at least once every six years.

### **Audit Work to be Completed**

The audits will be conducted in accordance with auditing standards generally accepted in the United States of America; Government Auditing Standards, issued by the Comptroller General of the United States; and the Guide for Annual Audits of California K-12 Local Education Agencies and State Compliance Reporting, published by the Education Audit Appeals Panel. If required, the audit will also be conducted in accordance with the requirements of Title 2, U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (the Uniform Guidance).

#### Fee Proposal

We provide a value proposition that brings a quality audit with certainty in price. We believe our rates are comparable to those of other accounting firms. However, we believe that our service approach and techniques provide a unique capability to achieve cost savings while maintaining the highest quality standards.

We seek to reward client loyalty and pass on the savings gained from the continuity of long-term relationships with our clients. The following worry-free reporting fees include an option which reflects a discount for the District's commitment to a multi-year agreement. Our fees, including travel expenses, will not exceed the following:

| Services                          | 06/30/22     | No. | 06/30/23 | Y See | 06/30/24 |
|-----------------------------------|--------------|-----|----------|-------|----------|
| Audit of financial statements     | \$<br>16,400 | \$  | 17,100*  | \$    | 17,800*  |
| Single audit fees (if applicable) | \$<br>3,000  | \$  | 3,000*   | \$    | 3,000*   |

\*While we understand that guaranteed fees are important to the District's budgeting decisions, with the continuing concern of rising inflation, we are doing something we have never done before. Considering this uncertainty, in the event that annual inflation should exceed 4% (as measured by the U.S. Bureau of Labor Statistics 12-month—all items November reading), we reserve the option to notify the District of an inflation-adjusted contract fee prior to January 31 of the fiscal year under audit. If the District does not accept the inflation-adjusted fee, the District may choose to discontinue the contract.

Additional professional services to complete the calculations for financial reporting and draft disclosures for the District's CalSTRS, CalPERS, and OPEB liabilities will be billed at a flat out-of-scope fee of \$585 annually. Our fees are based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. We understand that you will provide us with all financial records and related information required for our audit and that you are responsible for the accuracy and completeness of that information. All audit requirements included in the July 1, 2021, audit guide issued by the Education Audit Appeals Panel, Guide for Annual Audits of California K-12 Local Education Agencies and State Compliance Reporting, have been incorporated in the fees listed. In the event that any additional services may be requested by the District or required by the Guide for Annual Audits of California K-12 Local Education Agencies and State Compliance Reporting, issued by the Education Audit Appeals Panel subsequent to July 1, 2021, those services will be billed to the District at \$205 per hour for 2021-22.

The above fees do not include the presentation of the audit report at the District's board meeting or the audit committee meeting. Should you desire such a presentation, you will be obligated to compensate us at the above rates for the time to prepare for and attend the board meeting and/or audit committee meeting. Travel time will be charged at \$90 per hour. You will also be obligated to reimburse us for any travel expenses.

# GOLDEN FEATHER UNION ELEMENTARY SCHOOL DISTRICT BUTTE COUNTY, CALIFORNIA

#### **RESOLUTION NO.: 3**

# RESOLUTION INITIATING PROCESS OF ESTABLISHING TRUSTEE AREAS AND ELECTIONS BY-TRUSTEE-AREAS

WHEREAS, the Golden Feather Union Elementary School District ("District") currently uses an at-large system of electing the members of its Governing Board; and

**WHEREAS**, the Board is aware that under state law an at-large method of election may be deemed to impair the ability of some voters to elect candidates of their choice or to influence the outcome of elections and, therefore, may be subject to challenge under the California Voting Rights Act of 2001, California Elections Code §§ 14025, et seq. ("CVRA"); and

WHEREAS, the Board, based on this awareness, has studied the issue and, with the assistance and advice, has decided to initiate the process of establishing trustee areas and changing the method of electing members of the Board in order to ensure compliance with the CVRA or, at minimum, avoid the potential for costly litigation under the CVRA; and

WHEREAS, transitioning to a by-trustee-area election method is, and should be, a time consuming process, and because the process does and should allow for extensive public input, including the involvement of the Butte County Committee on School District Organization, as well as potentially seeking and obtaining a waiver of the requirement for an election from the State Board of Education; and

**WHEREAS**, the Board intends to initiate a very deliberate, careful, and public process for establishing trustee areas and for changing the method of electing members of the Board, to take effect commencing with the November 2026 election.

**NOW, THEREFORE, BE IT RESOLVED** that the Board hereby finds the foregoing recitals to be true and correct; and

**BE IT FURTHER RESOLVED** that the Board directs the Superintendent or his designee to immediately initiate the legal and regulatory process to establish trustee areas within the District, as provided in Education Code Section 5019, in sufficient time for trustee areas to be established for the November 2026 election of members of the Board; and

**BE IT FURTHER RESOLVED** that the Board directs the Superintendent or his designee to initiate the legal and regulatory process of changing the method of electing members of the Board from the current at-large system, whereby each member of the Board is elected by the registered voters of the entire District (Educ. Code § 5030(a)), to

a method which provides that Board members residing in each trustee area will be elected by the registered voters of that particular trustee area (Educ. Code § 5030(b)), in sufficient time for the new method of electing members of the Board to be in place for the November 2026 election; and

**BE IT FURTHER RESOLVED** that the Board directs the Superintendent or his designee to initiate processes for establishing trustee areas and changing the method of electing members of the Board that are inclusive, thoughtful, and public, providing for and encouraging significant input on the issues the Board and County Committee on School District Organization will address from all interested citizens and interest groups; and

BE IT FURTHER AND FINALLY RESOLVED that the Superintendent or his designee is authorized to initiate the legal and regulatory process to seek a waiver from the State Board of Education, of the requirements of Education Code Section 5020 and related statutes, so that action of the Butte County Committee on School District Organization establishing trustee election areas and adopting one of the alternative methods of electing Board members specified in Education Code Section 5030 does not constitute an order of election.

ADOPTED, SIGNED AND APPROVED this 16th day of March, 2022
